

RESTLESS

AN EVENING OF WORSHIP & PRAYER

Restless: An Evening of Worship & Prayer

Friday March 16 at 7:30 PM in the Sanctuary

"You have made us for yourself, O Lord, and our heart is restless until it rests in you" (Augustine)

We invite you during this season of Lent to prepare your hearts for the celebration of Jesus' death and resurrection by joining us for two evenings of extended worship through music & prayer. Music invites us into a safe intimate encounter with God and prayer offers us space to reflect and contemplate the restlessness in our own hearts and God's invitation to find our rest in Him. This event will be hosted in English and is open to all ages and congregations. Come as a small group or fellowship, family and bring friends.
