

How to Join the Prayer Summit Zoom Meeting

Before you begin, here is some information that will be helpful to you when joining the Prayer Summit.

Please sign in using the letter **E**, **C**, or **M** to indicate your language preference (**E for English, C for Cantonese, and M for Mandarin**) as we will be separating into smaller prayer groups. Then enter a dash “-” followed by **your first and last name** as known to the pastors at FLC so that they will recognize and admit you to the Prayer Summit, **eg. E - your first and last name, C - your first and last name, or M - your first and last name.**

Regardless of how you join the Prayer Summit, you will enter into a **waiting room** where you will then be admitted into the meeting. **Please join with video** so that we can all see you.

When you enter the meeting, you will automatically be muted so that everyone can hear the speaker clearly. **Please keep yourself muted during the summit unless instructed otherwise.** There is a microphone icon/picture at the bottom left corner of your screen; if there is a line going through the microphone, it means you are muted. There will be opportunities during prayer times to unmute; P. Abe will instruct on those times. To unmute yourself and mute again, click on the microphone icon.

How to Join through a Web Browser Using the Meeting Invite Link

You don't need to install any extra software to join a Zoom meeting. You can do it all through a web browser.

1. Click on the **link** on the Prayer Summit event webpage.
