

Here's what happens...

Paul is a prisoner for talking about Jesus, and they're transporting him to Rome for a trial. The ship encounters some strong winds, and then the storm keeps getting worse. Cargo is thrown overboard, and the ship crashes! But God protects them, making sure everyone gets to shore safely.

Bible Point:

We are protected.

"And I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns" (Philippians 1:6).
