

Moses and the Burning Bush

Exodus 3:1–4:17

Here's what happens...

Moses is tending his sheep when he sees a strange sight: a bush that's on fire but not burning up. When he goes to investigate, he hears God speak to him and sees God give clear signs of who he is. Moses' encounter makes it clear that God is real.

Bible Point:
God is real.

*"O Lord, our Lord, your majestic name fills the earth!
Your glory is higher than the heavens" (Psalm 8:1).*

Family Together Time

- Light a birthday candle and sit around it as a family. (Make sure only parents handle lighters or matches, and address any fire safety tips as needed.)
- Watch as the flame melts the wax and consumes the candle.
- Talk about what flames normally do and why the burning bush was so unusual.
- Share evidence *you've* seen that God is real. We like to call those God Sightings!
