

Here's what happens...

The Israelites fight against five armies to defend another population, the Gibeonites. In turn, God defends the Israelites, sending their enemies into a panic and causing the sun to stand still so they have time to defeat their enemies. God is our defender, too.

Bible Point:

God is our defender, so we defend others.

*"The Lord is compassionate and merciful, slow to get angry and filled with unfailing love"
(Psalm 103:8).*

Through the Week

Defend each other with prayer throughout the week!

- Find a round object, such as a coin, for each person in your family.
- Each person will pick up a coin and share about a current battle he or she is facing. For example, a battle could be a stressful test, worries about a friendship, or stress at work.
- Pray for each other right away.
- Carry the round objects all week to remind you of the sun and how God defended the Israelites by causing the sun to stand still.
- Whenever you feel the "sun" in your pocket, stop and pray for the battles your family members are facing.
- Be sure to support each other in your battles so you know your family is always on your side.
