

FLC ELDER NOMINATING COMMITTEE CANDIDATES 2024

Jamie Lai

Fraser Lands Church has been my home church since it started in 1991. Thirty some years went by, and I have gone through different seasons in life. With God's grace, I have served in many ministries across different congregations and hence have the privilege to know a broad spectrum of members in the church. A few of my favorite serving positions include preparing snacks at VBS with teenagers, teaming up with young people in leading worship, and helping at Alpha as a member of the task force.

Currently I am part of the Lytton ministry team, Cantonese worship team, as well as a group leader of Cornerstone Fellowship.

Nicholas Lai and I have been married for 45 years and we have one adult son, Joshua. I love taking candid shots with my phone to capture unique moments. My other favorite pastimes include spending time with friends and keeping my garden beautiful.
