

# FLC ELDER NOMINATING COMMITTEE CANDIDATES 2025

---

## Helen Mar

I have been a member of the Fraser Lands Church family since 1991. My husband, Bill and I worship with the English speaking congregation. In the past, by God's grace, I've served in the usher and hostess ministry, pre-marriage mentoring, and small groups leadership. I'm currently part of Alliance Women, and the Alpha Marriage course team.

## Catherine Seto

My family and I started attending Fraser Lands Church in 1997/1998. By God's mercy and grace, we committed to Christ and got baptized in 1998/1999 respectively. In the same year, I started serving in Choir and Sharon Fellowship. To better equip myself, I took the Evangelism Explosion-III training, various Sunday School classes and Leadership courses. Thankfully I was led by the Lord to participate in several short-term mission trips years ago. Currently I'm serving in Alpha ministry, Caring Department, Choir and Communications Department, through which I got chances to experience God's all-time guidance and His power of life transformation.
