

# FLC ELDER NOMINATING COMMITTEE CANDIDATES 2026

---

## Jamie Lai

Fraser Lands Church has been my spiritual home since it started in 1991. During these 35 years, I have gone through different seasons in life and engaged in numerous ministries across different congregations. This has provided me with opportunities to get to know a broad spectrum of members in the church community. For example, my involvement in Help for Lytton initiative allowed me to connect with over 200 members from various congregations. This has given me much joy and gratitude as we serve together sharing our blessings to bless others.

Nicholas and I have been married for 47 years and we have one adult son, Joshua. I enjoy spending time with friends over a meal as well as keeping my garden beautiful.
