Thank you for being part of this Christmas Hamper initiative for Lytton. We are preparing Christmas Hampers for some Lytton families & individuals. Each hamper is a tangible way to express God's love & our care for the Lytton community. We want to bring the Lyttonites something special for their holiday celebration. We need a minimum of 60 hampers. Please find the following information pertaining to the completion of the hamper:

**Hamper box, Christmas card & wrapping paper pickup (from FLC) date: From October 25-November 17**

A general description of the household you are preparing the hamper for will be provided when you pick up your Hamper Box. Please prepare the hamper with the household in mind. Some ideas are provided in the chart below:

**<u>Important:</u> The size of the hamper is smaller this year in order to make transporting them easier. The size is 12"x 12"x 12". Please ensure that everything you purchase will fit, yet fill up the hamper.**

We want to bless the families generously with the best we can offer.  Therefore, it is important that the items we provide are **new**, **unopened**, and **unexpired**.

Some important things to follow regarding filling and  gift wrapping your box:

- Fill the box, leaving as little empty space as possible.
- Do not seal, but leave the box open, so we can inspect to make sure all items are suitable.  We will seal the box ourselves after inspection.
- Do not remove the labels.  One on the inside lid and one on the outside lid.
